Sir:

Prior to initial examination on the merits, please amend the above-identified application as follows:

**IN THE CLAIMS:**

Please add new claims 39-42 as follows:

39. (New) A method for identifying a cell in a radio mobile communication device

comprising:

selecting a code sequence from a pattern of sequences for cell ID code of

1. The first group of students (Group A) was assigned to the traditional lecture method. They received a 45-minute lecture on the topic of "The Role of the Teacher in the Classroom."

2. The second group of students (Group B) was assigned to the interactive method. They participated in a 45-minute interactive session where they discussed the role of the teacher in the classroom.

3. The third group of students (Group C) was assigned to the self-paced learning method. They completed a self-paced learning module on the role of the teacher in the classroom.

4. The fourth group of students (Group D) was assigned to the blended learning method. They participated in a 45-minute blended learning session where they discussed the role of the teacher in the classroom.

5. The fifth group of students (Group E) was assigned to the flipped classroom method. They completed a self-paced learning module on the role of the teacher in the classroom.

6. The sixth group of students (Group F) was assigned to the flipped classroom method. They completed a self-paced learning module on the role of the teacher in the classroom.

7. The seventh group of students (Group G) was assigned to the flipped classroom method. They completed a self-paced learning module on the role of the teacher in the classroom.

8. The eighth group of students (Group H) was assigned to the flipped classroom method. They completed a self-paced learning module on the role of the teacher in the classroom.

9. The ninth group of students (Group I) was assigned to the flipped classroom method. They completed a self-paced learning module on the role of the teacher in the classroom.

10. The tenth group of students (Group J) was assigned to the flipped classroom method. They completed a self-paced learning module on the role of the teacher in the classroom.

1. *Chlorophyll a* (Chl *a*)  
 2. *Chlorophyll b* (Chl *b*)  
 3. *Chlorophyll c* (Chl *c*)  
 4. *Chlorophyll d* (Chl *d*)
